### **DETAILED ACTION**

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on September 23, 2004 has been entered.

### **EXAMINER'S AMENDMENT**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. William Brooks on December 7, 2004.

The application has been amended as follows:

- I. In claim 1, line 1, “.”, has been deleted and --:-- has been inserted.
- II. In claim 1, line 6, “and (c) oxygen” has been deleted and --(c) oxygen; and (d) phosphorus—has been inserted.

- III. In claim 1, the last 2 lines, the language, "wherein there is no aluminum film provided between the surface of the magnet and the chemical conversion film" has been deleted.
- IV. Claim 2, has been cancelled.

***Examiner's Statement of Reasons for Allowance***

3. The following is an examiner's statement of reasons for allowance: The primary reason for allowance is that none of the references alone or in combination teach or suggest a rare earth-based permanent magnet provided with a chemical conversion film directly on a surface of said permanent magnet, said chemical conversion film containing:

- (a) at least one metal selected from the group consisting of molybdenum, zirconium, vanadium, and tungsten;
- (b) a rare earth metal from the rare earth-based permanent magnet;
- (c) oxygen; and
- (d) phosphorus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
